Principal Update

- Grant for school safety officer ran out last year, they provided lessons on school safety, anti-bullying and staying safe on social media. TVUSD district applied for a new grant this year and was it awarded, now ACES and TVES have our own SSO (school safety officer) on site everyday to help keep the school safe and be a positive influence to children. Grant is active for next three years and schools work with Pima County Sheriff's Department.
- AZ State Law wants the AZ Healthy Schools Act enforced, if we were to lose Title I funding, this impacts free and reduced lunch and we don't want to lose that funding. TV District has decided to navigate through this is to keep the main focus on learning. We want to focus on education, but also use this as an opportunity to change the way we do celebrations like birthdays and holidays. Ideas for change are in the works and school is adapting.
